

I. Coronavirus: A judgment of God?

- **Summary:** God is the judge of the universe but did we He send a plague to chastise us? Is satan the one behind this pandemic? Are we reaping what we have sown? Or something else?

1. Again there was a day when the sons of God came to present themselves before the Lord, and Satan also came among them to present himself before the Lord. The Lord said to Satan, "Where have you come from?" Then Satan answered the Lord and said, "From roaming about on the earth and walking around on it." The Lord said to Satan, "**Have you considered My servant Job?** For there is no one like him on the earth, a blameless and upright man fearing God and turning away from evil. And he still holds fast his integrity, although you incited Me against him to ruin him without cause." Satan answered the Lord and said, "Skin for skin! Yes, all that a man has he will give for his life. "However, put forth Your hand now, and touch his bone and his flesh; he will curse You to Your face." **So the Lord said to Satan, "Behold, he is in your power, only spare his life." Then Satan went out from the presence of the Lord and smote Job with sore boils from the sole of his foot to the crown of his head.** - Job 2:1-7 NASU

2. Therefore **whoever eats the bread or drinks the cup of the Lord in an unworthy manner**, shall be guilty of the body and the blood of the Lord. But a man must examine himself, and in so doing he is to eat of the bread and drink of the cup. For he who eats and drinks, eats and drinks judgment

to himself if he does not judge the body rightly. **For this reason many among you are weak and sick, and a number sleep. But if we judged ourselves rightly, we would not be judged.** But when we are judged, we are disciplined by the Lord so that we will not be condemned along with the world. - 1 Corinthians 11:27-32 NASU
